Next Newsletter

After almost eighteen months editing our Newsletter, David has come to the decision that, with a new job and the hours and responsibilities that go with it, he is unable to continue producing our weekly news. This means that there will be **NO** newsletter next Sunday although any important information will continue to be circulated via e-mail.

In the meantime, if there is anyone who would like to take on this role, please speak to Jane on Sunday or contact me by email:
